Traffic and Parking outside of school

I ask that all parents and carers take great care driving and parking outside of school. I know that for the vast majority, this is the case but recently, there have been issues with parking and driving on Mellock Lane. Under no circumstances, should grown ups stop on the zigzag lines, outside of school, to drop off children nor park on the double yellow lines or on the white lines near the raised area that many parents and children cross Mellock Lane to school. We ask that parents DO NOT drop off using the entrance to the school carpark nor enter the school carpark unless there has been prior arrangements made. **Thank you in advance for your support to ensure that everyone in our school community is safe.**
