

**ST WINNIE'S SUMMERFEST-
SUNDAY 2ND JULY
12.30PM—3.30PM**

The PTFA would welcome any parents, relatives or friends of St Winefride's to help at our spectacular summer fair. It is always such a wonderful event where we all enjoy being together but we **NEED YOUR HELP**. These events are important to us all and can only happen with your support. Please speak to a member of the office if you can help our wonderful PTFA .

Important Dates for June and July**

Welcome Back to Summer Term Two

Welcome back to Summer Term Two. I hope all children, parents and staff had an enjoyable and restful Whitsun break. The weather has been very kind to us; let's hope it is here to stay for the rest of the summer.

With the hot weather, we ask that children come to school wearing suncream. Children are welcome to bring their cream to school but children will be expected to apply this themselves—please practise this with your child at home. Children should be coming to school with a cap or hat. Measures are in place to keep the children cool during the school day and at playtimes and lunchtime.

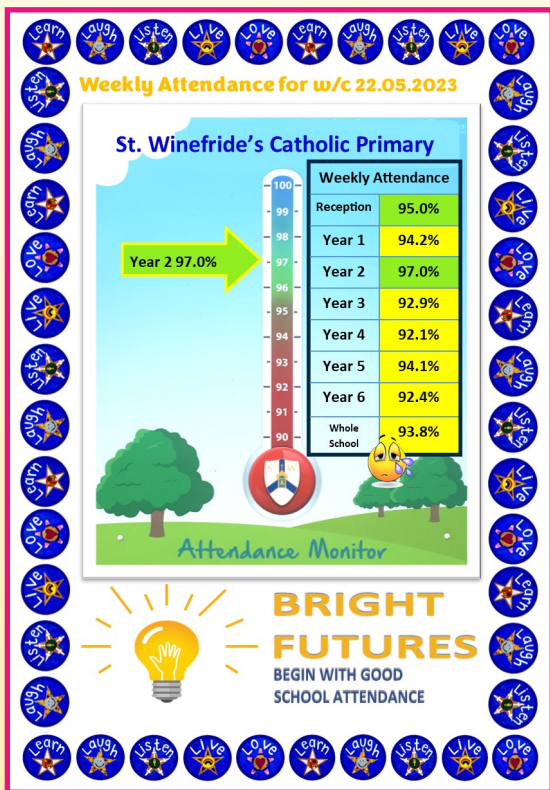

Date	Information/ Event

Attendance Matters

This is our attendance chart for the last week before the Whitsun school holiday where we get to enjoy two weeks off school with family and friends.

This is a reminder that we urge families to refrain from booking holidays in term time as this impacts your child in many ways. It is important, that if your child is absent from school due to illness, you contact the school office each day of your child's absence.

We are aiming for all classes to achieve 'green' every week from now until the end of term.

Attendance helps me
to shine my light.

Attendance is important to me – St Winefride's

Attendance is important to me. It helps me ...

To learn, grow and achieve.

To reach my full potential and let my light shine.

Every day I learn something new, and I am working towards building knowledge and skills and embedding this in my long-term memory.

Nothing is impossible if I am in the classroom. |

Dedication leads to development.

Achievement comes from being in school and growing academically, socially, spiritually and morally.

Non-attendance can result in gaps in my learning, and I don't want this.

Can do attitudes are important in our school.

Everything is possible when I am present!
