

## Parental Survey Responses 2022

(Written exactly as on questionnaire feedback forms).

My both kids attend this school, and we are very happy with it. My daughter been bullying, and teacher help me so much. I would strongly recommend school to anyone.

This is on behalf of both my sons.

I like the school and very happy with every teacher I have so far encountered.

BIG THUMBS UP!!!

I find all the teachers on hand and readily available to talk to at any given time. Pastoral care at this school is really amazing and nurturing towards both my children.

We couldn't wish for a better school for our child to attend. She is extremely happy hear and feels safe and valued. She is encouraged to reach her potential and is thriving. We would recommend St. Winefride's to any perspective parents.

Doing a great job X

I couldn't ask for a better primary school for Florence. Everyone is fantastic and caring. Mrs. Davies is a wonderful addition as headteacher. The school is only getting better.

This school is very much an 'extended' family in how they take care of the children. The staff are warm and supportive and it's fantastic that Mrs. Davies is now the Headteacher.

Poppy is very settled within her class and always communicates about her learning and friendships. Very happy with the communication from Mrs. Bannister and feel secure that information will always be communicated. Thank you for all that you do, it is much appreciated.

I love the school. I would 100% recommend any child to come here. I can't wait for my son to join St Wins in 4/5 years' time. Amazing teachers and a fantastic Head teacher!

Alicia has had some friendship issues which is why sometimes she feels anxious coming to school. Mrs. Bannister has helped with this, and the problems seem to have settled down. Teachers in this school are so caring and willing to go the extra mile- thank you!

The school has surpassed all our expectations with Charlie, would highly recommend the school to all friends and family.

St Winefride's is an Outstanding school! Georgia loves it here. The staff are amazing Too! Thankyou! Emily is really happy at school and loves Miss Ellis and the rest of the staff.

This school is so supportive. As soon as you walk into the school, the atmosphere is supportive and feels like a big family. My boys love coming to school. They are encouraged and supported with their development; educationally, personally, and spiritually.

When talking to the teachers, it is obvious that they know each individual child and know how best to support them.

We have just started the process of screening George for ALN. Throughout the process we have been supported by Miss Holland and Mrs. Davies and before his needs have even been identified, so many support mechanisms have been put in place for him. For this we are very appreciative. Thank you.

Really inclusive, welcoming environment.

We are so happy from St Winefride's all teacher's service. Want to say big thank you.

I am extremely happy with the support Jake received before and during his transition to St. Winefride's.

I enjoy the award assemblies, being able to listen to all the wonderful things the teachers have to say about the children including Jake.

Very happy with Jakes development so far and excited to watch him grow under your supervision.

Edward loves coming to school and that makes our life easier.

Jessica is so cared for and loves school. She loves coming in (in fact she often doesn't want to come home!) She is pushed to reach her targets and everyone has high aspirations for her.

Natalie has been diagnosed with DHD due in a large part to Miss Holland's willingness to push for responses from relevant bodies. The support Natalie has received from Miss Holland and Mrs. Bannister has been wonderful and Natalie is flourishing.

Wonderful, supportive and caring school.

We are just thrilled to be part of the school and it's lovely to have Mrs. Davies as our head. Thank you for all you do.

My children are flourishing in this nurturing, vibrant and inspiring environment. The staff know my children to a great depth and challenge them accordingly. My children are growing in their faith, strengthening their resilience and loving every aspect of their learning. As a parent, I'm delighted with the communication, care and joy in St. Winefride's, my children are safe, happy and positive.

Both of our children love the school. We as parents are more than pleased with what the school offers. A special mention also for the teachers and staff, you all do a great job and make the school a lovely place to learn.

Clara is always hungry and happy (Clara said this!)

I am more than happy with how Grace is doing and is treated in this school.

We couldn't be happier with how Arthur has settled into this school and although we have days that could have been better he has never said he doesn't want to go.

I'm very happy with how his teachers teach and discipline him and can see improvements every week not just with his learning but also his behaviour and personality at home.
