

Dear parents,

As the first 'bubble' in our school is now learning remotely, we feel that it is a good time to remind parents of the dangers of the internet and other forms of social media.

We have attached some advice for parents and, together with the links below, make important reading for all parents.

Thinkuknow, the UK Crime Agency's online safety education programme, aims to ensure that everyone has access to practical information about staying safe online. Below is a link to some really useful 'Online Safety at Home' packs It contains 15 minute activities that you can do to support online safety at home.

<https://www.thinkuknow.co.uk/parents/Support-tools/home-activity-worksheets/>

Here are some other useful sites that help parents to ensure that their child is safe on-line.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

<https://www.childnet.com/parents-and-carers>

The site below discusses Apps that parents should know about (like TikTok).

<https://www.parents.parentzone.org.uk/morearticles/the-6-apps-and-services-that-every-parent-should-know-about>

<https://www.parents.parentzone.org.uk/morearticles/what-would-schools-normally-be-telling-children-about-internet-safety>

If you have further questions, feel free to contact the school.

Kind regards,

Mrs Ormes
